To Our Valued Customers

Subject: Price Increase Announcement

Due to ongoing increases in raw material costs, current trade policies and tariffs, and rising freight and energy expenses, we will be implementing a general price increase on the products below. **The effective dates of this increase will occur on December 7, 2026, and January 11, 2027, depending on the product.** Specific increases will vary by product category. Due to the nature of these increases and immediate cost impact, this pricing will be effective for all customers on these effective dates. All quotes will have a ten-day effective date. Any orders with future dates beyond 15 days will be reviewed and may receive a price increase.
