Subject: **September Price Increase (U.S.)**

At Watts, we are constantly collaborating with our partners to lead in our response to changes in market conditions. After assessing the volatility in the last couple of months, working through the details, and ensuring that we stay at the forefront of meeting the needs of the market, we are implementing a price sheet change on September 15, 2025, as outlined below.

This price change takes into account ongoing adjustments in U.S. tariff policy regarding reciprocal tariffs, steel, and copper that have been implemented over the last 120 days. As of September 15, 2025, the product lines and brands below will be implementing a price sheet change. Select items will be adjusted to reflect various levels of price change.

The following brands and product lines will be affected by the average increases as follows:

DRAINS	
DRAINS - BLUCHER	15%
DRAINS - CAST IRON	15%
DRAINS - TRENCH	15%
RAINWATER HARVESTING	15%
HVAC	
HYDRONIC RADIANT	3%

We know that you have been managing uncertainty alongside us, and we want to thank you for your understanding as we navigate our way through this dynamic market environment together.

Current prices will be honored for all orders with immediate release received on or before Friday, September 12, 2025, if stocking orders do not exceed one month's average purchases. New list prices will be available on our [website](#) on September 15, 2025. You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in Excel and other formats.

If you have questions, please contact your Watts Agency, Watts Regional Manager or the Watts Pricing Department.

Sincerely,
Watts Water Technologies
